

PORTLAND AREA NARCOTICS ANONYMOUS PUBLIC RELATIONS SUB-COMMITTEE GUIDELINES

The Area Public Relations (PR) committee is a subcommittee of the Portland Area Service Committee (PASC).

“We perform public relations service to increase the awareness and credibility of the NA program. We share our message openly with the public at large, with prospective members, and with professionals. Maintaining an open, attractive attitude in these efforts helps us to create and improve relationships with those outside the fellowship. Establishing and maintaining a commitment to these relationships, can help us to further our primary purpose.

The spiritual principles of our steps, traditions, and concepts guide us in pursuing our public relations aims and our efforts to enhance NA’s public image and reputation. These principles apply to our community and service efforts as well as to the personal behavior and attitude of individual NA members.”

The function of the Portland Area Public Relations (PR) Subcommittee is to open and maintain communications between NA and the public, and between the PASC and other NA service bodies. To accomplish this function, the committee is responsible to:

1. Respond to all requests for information in a timely and effective manner.

MAKEUP OF THE PR SUBCOMMITTEE

This committee consists of the Administrative Officers: Chair, Vice Chair and Secretary, and Operational Officers: Phone Line Coordinator, Schedule Coordinator, Website Coordinator and Website Coordinator Alternate, and Media Coordinator, as well as general members of the

committee. All members are to be present at all PR meetings, and are to follow the PR guidelines. There are separate guidelines for each of the Operational Officers. All members of the PR committee must meet the minimum clean time requirement of 6 months. Clean time Requirements for officers are detailed by position.

All members of the PR Committee must maintain complete abstinence. Anything other than complete abstinence constitutes an automatic removal. The term for officers is one year, with a maximum of two consecutive terms.

Any officer or committee member maybe removed for cause; Cause may include but is not limited to: attendance, loss of abstinence, failure to complete assigned work. A consensus decision of the voting members will be required for removal.

ELECTIONS

Nominations will be open and elections held in the February Public Relations business meeting. The chairperson must be ratified at the March PASC meeting.

DECISION MAKING

In keeping with the 7th concept that states; “All members of a service body bear substantial responsibility for that body’s decisions and should be allowed to fully participate in its decision-making processes”, all decisions of the PR Committee will be by consensus.

CONSENSUS BASED DECISION MAKING: All Seated members of the PASC PRC will have decision making authority and responsibility. The PASC PRC uses Consensus Based Decision Making as its primary method of decision making. On all issues before the committee, after adequate discussion, the members will be asked if they object to moving the issue forward. If there are no objections, the issue is approved. If there is dissent, the dissenting members are asked to explain their position. After all view points are heard the members will be asked if there is support for the issue under discussion. If there is still dissent and the dissenters’ arguments have not changed the majority of the committee, a vote may be taken. The Chairperson will announce the decision taken, with a simple majority deciding all issues with the exception of Guidelines and removal of members, which will require a 2/3rds majority. If the chair feels that the committee is too divided on the issue they may rule that the issue is tabled until further discussion can resolve the impasse. All officers and coordinators including the chair are considered voting members.
